

Checking in via QR code is a condition of entry:

To comply with NSW Health Guidelines, operations have been amended as follows:

Massage therapists will consult with their clients in the outdoor meeting area, and wear a mask during sessions. Massage clients are not required to wear masks unless they require a private consultation, however they need to keep their distance from their therapist all the time they are not on the treatment table.

Bathhouse sessions are bookings only and will run strictly on the hour. Permitted numbers reduced by 30%. Two hour sessions are not available but two back to back one hour sessions may be booked, subject to availability. Private parties are unavailable at this time.

Clients and staff are asked not to attend if they are at all unwell

Thank you for helping keep the Kiva safe!
